

2. Mr. Spencer Platt, of the Bureau of the Budget (Ext. 512), informed me that the Bureau of the Budget was supporting H. R. 4723, which will authorize retired officers to hold Federal employment, provided that they waive their retirement pay during such employment. This bill will repeal the numerous current limitations on such employment. Mr. Platt wishes authority to include repeal of CIA's P. L. 53 regarding officers retired for longevity in the overall repealer section of the bill. I informed him that we would study the question and give him an answer quickly. 17 June 54
